Corn Limpers! Use "Gets-It" and Smile!

Corns Come Right Off, Clean and
Quick! You Needn't Limp, or
Pain With Your Corns
Any More!

What's the use of applying a good
time for yourself by limping around
with those corns? It's one of the
easiest things in the world now, to
get rid of them. "Gets-It" does it

These Corns Come Right Off, Clean As a
Whisk, by Using "Gets-It"

the new way. That's why "Gets-It" has
become the corn remedy of America,
the biggest selling corn remedy in the
world, preferred by millions. Do you
remember that toe-calling salve you
tried, that sticky tape, that toe-
bandaging, the gouging you've
done with knives, razors and scissors?
Well now, forget them all. No more
fussing, no more pain. Whenever you
use simple, easy "Gets-It," the corn is
doomed, sure. So is every callus,
wart or bunion. Never cut corns
or calluses. It makes them grow that
much faster and increases the danger of
blood poisoning. No cutting is necessary by
using "Gets-It." Use it tonight and end
your corn existence.

"Gets-It" is sold by all druggists,
25c a bottle, or sent direct by E.
Lawrence & Co., Chicago.

Sold in Cookeville and recommended
as the world's best corn remedy by
J. H. Watts.

The services Sunday evening at the
Cumberland Presbyterian church was
the last of the union Sunday evening
services for this summer, the churches
to hold their regular services here-
after. These union services have
been well attended and have been
the means of greatly encouraging
united effort on the part of the various
churches.

When the Circus Comes to Town

Circus day is fast approaching and the
small boy is on his best behavior. If
it were not for the fact that his moth-
er is wise to his methods, his anar-
chic goodness would give her some
alarm. She knows he is working
to see "that circus". For that moth-
er wants to see it also. Father is
non-committal but it is the one best
bet that he will be there if it is for
no other reason than to take the boy.
You see he has not forgotten when
he was a little shaver himself.

Sparks World's Famous Shows
will be here Thursday, Sept. 30, and
will then unfold its myriads of won-
ders gathered from all portions of the
universe. The principal query it pre-
sents is, "Are you going to the cir-
cus?" The answer gives rise to the
belief that show day will see the
greatest outpouring of people from
all parts of the country this city has
ever seen. There is every reason to
expect this. The promises held forth
are simply wonderful, and they come
from an institution which in over a
quarter of a century has never broken
faith with the public or advertised
things it did not have.

There is undoubted truth in the
statement that the Sparks Shows has
reached in all its department's the
highest perfection of excellence. It
has ransacked Europe in its search
for wonderful acts and feats. The
performance is one of infinite variety
containing many acts themselves.

Every regard is held for the com-
fort of the people on the show grounds.
The tents are all new and of the
finest waterproof canvas. A magic touch
seems to have been placed over the
entire circus city, and the parade to
be given at 12 o'clock noon, will fur-
nish a glorious prelude to the circus
itself, for it will display a thousand
wonders. Magnificent chariots and
boats will be drawn by handsome
horses, beautiful open dens showing
